- Terrains:** [Sprint](#)
The competition terrain is made up of housing estates combined with parks. Paths located in the area are mostly paved.
- [Middle distance](#)
The area is a combination of continental terrain with more detailed areas. There is a good paths and forest roads network. The tree cover is predominantly deciduous with very good runnability and visibility.
- [Long distance](#)
Karst terrain with depressions.
On the slopes of depressions, there are some rocky fields and cliffs. Vegetation consists mostly of deciduous forest with occasional coniferous trees. Runnability and visibility is mostly good. Running is sometimes reduced by stony ground. In the terrain, there are some forest roads and medium density of paths.
- Transport:** The organizer does not provide transport. Drive carefully (uneven road surface) between the village of Plešivec and parking place during long distance events.
- Catering:** Local restaurants only. There will be no catering providers at the assembly areas.
- Refreshment:** No refreshment in the Finish and at the courses.
- Toilet:** Temporary, close to the Finish.
